

FAQ

Procedure JPIIF 001 2024012314/01/8

- 1. Is it required to sign all the files attached to the price offer, or are there just specific files, please mention them? (is it required to print all the files?)**

The documents required, the organization of the documents and the submission methods are described in section 10 and 11 of the Instructions to Tenderers.

- 2. About the guarantee: Is there a guarantee for entering a bid, or the mentioned guarantee is a guarantee of good performance?**

The procedure does not require a tender guarantee, there is however a performance guarantee to be signed and provided during the contracting process. Please refer to section 22 of the Instructions to Tenderers.

- 3. From their readings of the files, it is accepted to send the price offer either electronically or on paper. Is this correct?**

The Dossier shall be submitted in paper by hand delivery, by post or by courier service. Please refer to section 10 of the Instructions to Tenderers.

- 4. In the technical specifications table, shall columns number 3 + 4 be filled? Column number 4 is not clear to in terms of what is intended to be written? Please explain that.**

Column 3 of technical specifications: the tenderer shall explain if it is satisfying the technical specifications requested in column 2. If they differ it shall be justified why they are still equivalent or better. Support documents can be attached.

Column 4 of technical specifications: the tender can provide more information and attach other documents to allow for complete evaluation of the item offered.

- 5. The word file didn't open**

The Tender Form (word file) can be open. Use the latest version of official Office suite.
